HEAVEN SENT DESSERTS (OPENING IN MARCH)

A branch of this North Park mainstay will be sweet news for North County when it opens in Poway in March. The pure-butter bakery specializes in swoonable sweets so good they're also served at Neiman Marcus.

12655 Danielson Ct., Ste. 312, Poway, heavensentdesserts.com

MISS B'S COCONUT CLUB (OPENING IN MARCH)

A confection from the beach-savvy owners of The Duck Dive and PB Shore Club, this coming-soon Mission Beach party house will pour tiki cocktails to accompany an islands-inspired menu.

3704 Mission Blvd., Mission Beach, missbcoconutclub.com

ONE DOOR NORTH (OPENING IN MARCH/APRIL)

One eatery's closure is another's opportunity, in this case for The Smoking Goat, which has opened a spacious restaurant next door, in what used to be Mosaic. Approachable, locally sourced fare is the focus.

3422 30th St., North Park, onedoornorth.com

MOTO DELI (OPENING IN APRIL)

Hell on wheels for the sandwich set, this motorcycle-themed shop in Leucadia also serves elaborate salads and sides (and pickled eggs) in a racy environment. Dine in, take out or order for delivery... by motorcycle.

810 N. Coast Hwy. 101, Encinitas, motodeli.com

POKEWAN (OPENING IN MARCH)

Okie-dokie, try the poke at this new sibling of downtown Carlsbad's ever-sizzling Blue Ocean Robata & Grill. Think crudo, think ceviche — poke is highly seasoned raw fish with a clean finish on the palate.

2958 Madison St., Ste. 104, Carlsbad, pokewan.com
